

Sunday Worship Services are Cancelled until further notice.

In response to the growing risk of the COVID-19 situation and the recommendations of the Government of Alberta and Alberta Health Services, we have decided that it is in the best interest of our congregation and the community to move in this direction, starting March 22, for an indefinite period.

*So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.
Isaiah 41:10 (NIV)*

Here at the First Baptist Church we're committed to gathering together to worship Jesus in large gatherings and we desire to be a welcoming place for any and all who come.

However, we care deeply about the whole person and in light of the COVID-19 virus situation we are taking responsible precautions to reduce risks and ensure the health and safety of everyone that visits our church.

Currently, the risk assessment to Albertans is low. Our responsiveness will increase if and when it is advisable to do so. Here are a few important things to take note of:

We are actively monitoring the advisories from the Public Health Agency of Canada, the Government of Alberta and Alberta Health Services. Here are their website links if you'd like to do the same.

We trust that God is sovereign and in control of all things. And while we need to be wise and discerning during this time we will not live in fear. Let's be in constant prayer for the following areas:

For those immediately affected by the virus around the world and in our communities

For God's peace and wisdom to be ever present

For wisdom and discernment for our government leaders, our church staff and ministry leaders

For opportunities for you to love your neighbours during this time

"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."- Philipians 4:6-7

Thank you for understanding and for your cooperation during these unprecedented times. We will keep you posted on any updates to services, events, ministry activities and how this situation could affect our church family. Please watch our website for any notifications.

God bless,

Pastor Keith and the Leadership Team
