

# Yuri Yatter Update

June 2025

## Praises

\*\*Praise that my short trip back to Japan on May 16-22 went smoothly! I was able to close down bank accounts and officially finish my responsibility to close down the legal entity of the North American Baptist General Mission in Japan. I truly felt your prayers!

\*\*I praise God that I could start off my home assignment church visitations by starting off with my home church, Edmonton Japanese Christian Church on May 11th.

\*\*I enjoyed sharing via zoom at Edmonton Christian Community Church's Cantonese prayer meeting on May 28th.

\*Praise that on May 31st, I could be with 15 women from the Calvary Baptist Church in Wetaskiwin, AB to enjoy a Japanese tea ceremony together. With the help of my mother, we could all enjoy some matcha green tea and I could share a little about Japan.

\*\*I also praise God that I was able to meet and talk with Rev. Joel David, the new VP of International Mission, for NAB!
